### **INSTRUCTIONS TO EMPLOYER**

The Employer’s First Report of Injury or Illness must be submitted to the insurance carrier, per Sections §34A-2-407 and §34A-3-10B, R612-200-1 Utah Code Annotated (U.C.A.). 1997. Each employer shall file the report within seven days after the occurrence, or the employee’s notification of the same, which results in medical treatment by a physician except first-aid R612-100-2, loss of consciousness, loss of work, restriction of work, or transfer to another job. Each employer shall file a subsequent report with the commission of any previously reported injury; or occupational disease that later resulted in death. Also, for your information, Section §34A-6-301(3)(b)(ii) states that each employer shall, within 8 hours of occurrence, notify the Division of Occupational Safety and Health, at (801) 530-6901 or (800) 530-5090, of any; work related fatality; disabling, serious, or significant injury; or occupational disease incident. A serious injury includes; amputation, fractures of major bones (both simple and compound), and hospitalization for medical treatment.

\* All information requested on this form is of vital importance. Please answer **all** items in detail in order to avoid additional correspondence or the return of this report for completion. **Do not enter data in the shaded areas.**

\* The box titled “OSHA Log Number” must be filled in with the employer assigned Case Number from OSHA’s new 300 Injury Log. The Case Number needs to reflect the year of the injury – for example, your first injury in 2002 should reflect the first injury and the year 00/02 with the next injury being 00202, etc.

\* Please provide **WAGE** information. This information is needed by the insurance company for paying the correct amount on a claim.

\* The electronic injury report on file with the Labor Commission, Division of Industrial Accidents, is private information and is only released to parties to the claim.

\* Please make sure the **EMPLOYER NAME** is correct, as well as your **FEIN #** (Federal Tax ID Number). The employer’s name should be the same as reported to The Department of Workforce Services and as it appears on your WORKERS’ COMPENSATION insurance policy.

\* The **Worker’s Compensation Insurance Carrier** gets an original copy, the **employee** gets a **second** copy, and the employer gets a **third** copy and should maintain a copy of this report. The insurance carrier will send the Labor Commission an electronic copy of the injury report.

\*Failure to file this report with the insurance carrier or failure to provide the employee with a copy of the report, is a Class C misdemeanor and can also result in a citation and a civil penalty for each violation as per §34A-2-407(7), R612-200-1, §34-a-30108(7), §34A-6-302, and §34A-6-307, U.C.A.

\*If you dispute the validity of this claim you need to contact your insurance carrier, and you must still file the “Employer’s First Report of Injury or Illness” form with them. They will then submit it to the Labor Commission electronically. If the employer has no workers’ compensation insurance this form must be submitted to the Labor Commission directly.

\* **Reminder:** Inform your injured employee of his/her rights and obligations (as outlined on the back of the employee’s copy) of Utah’s Workers’ Compensation Act.
